

Jenesys Group, LLC Announces National Certification as a Women's Business Enterprise (WBE)

Jenesys Group, LLC, an online marketing and web site development company with more than three years of experience delivering online marketing and web design, development, and maintenance services across the globe, announces its certifications as a Women's Business Enterprise (WBE) by the Women's Business Enterprise National Council (WBENC).

While Jenesys Group, LLC has been 51% women owned and operated since its inception in 2004, the nationally recognized WBE certification provides third-party verification of that status. The WBE certification provides Jenesys Group, LLC a valuable tool to access supplier diversity programs within multinational companies and government procurement programs to provide them with web site related services.

As a WBE certified company, Jenesys Group, LLC will now have more access to provide web related services to companies who are committed to working with diversity suppliers.

Visit www.jenesysgroup.com for more information about their online marketing and web site related service offerings.

About Women's Business Enterprise National Council:

The Women's Business Enterprise National Council (WBENC), founded in 1997, is the nation's leading advocate of women-owned businesses as suppliers to America's corporations. It also is the largest third-party certifier of businesses owned and operated by women in the United States. WBENC works to foster diversity in the world of commerce with programs and policies designed to expand opportunities and eliminate barriers in the marketplace for women business owners. WBENC works with representatives of corporations to encourage the utilization and expansion of supplier/vendor diversity programs. For more information, visit www.wbenc.org.
